RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 23313-1450

Sir:

In response to the restriction requirement that the U.S. Patent and Trademark Office mailed on July 28, 2003, in connection with the above-identified patent application, Applicant provisionally elects, with traverse, the group consisting of claim 4-12, 16-23, and 26-35.

Applicant traverses this restriction requirement on the grounds that search of the claims of one group would necessarily include a search of the claims of the other group, so examination of all claims would not burden the Examiner unduly.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-1448.

Respectfully Submitted,

FOLEY, HOAG, LLP
